Re:	File No. 7080A, Rebid, Maintenance, Repair, Body Work & Paint Services for all City and School Commercial vehicles, Addendum No. 1

The following question was submitted and answered.

Question

Is this for related parts or for all parts used by the City of Cambridge in the future?

Answer

The discount referenced in the Invitation for Bid, Price proposal section, is the discount for parts the bidder will use to repair Commercial vehicles at the bidder's garage. It is not for parts purchased by the City to use for repairs done at the City's garage.

All other details remain the same.
