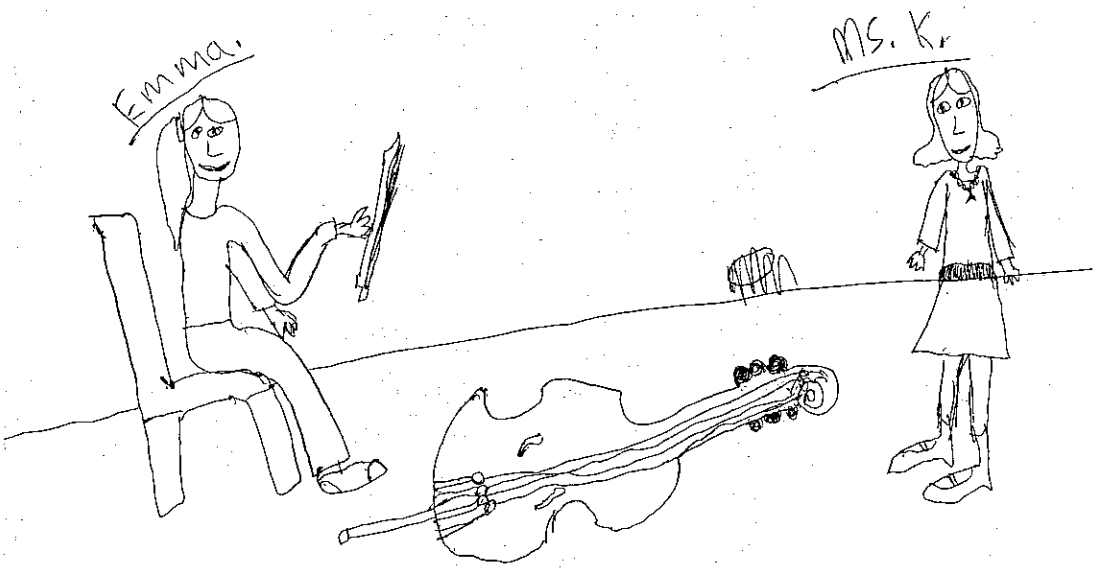
Dear longy, I realy, realy, like ~~like~~ taking cello lessons with ms. K! She's the best! I will be sad if the school closes, please don't close the school to kids.



Dear Longy faculty, please don't close Longy because there are so many students who arne't in college that go to Longy, so if you close it to ~~college~~ students than you'll create so much of a hasel so think agian!!!
