

CAMBRIDGE

GoGreen Awards

2011

CATEGORY: Transportation / Large Organization

**US DOT/ RITA Volpe National Transportation Systems Center
55 Broadway**

ACCOMPLISHMENTS

- Provides full subsidies up to the IRS pre-tax allowances for transit and bicycling.
- Provides a partial subsidy of parking at transit stations.
- Maintains on-site shower and locker facilities.
- Created an employee commute survey that has been recommended as the default for all federal government commuter surveys.

About US DOT/RITA Volpe National Transportation Systems Center:

The Center is part of the U.S. Department of Transportation's Research and Innovative Technology Administration and is an innovative, Federal, fee-for service organization. Our mission is to improve the Nation's transportation system. Our work is performed for U.S. DOT, as well as other Federal, state, local, and international agencies and entities.

ABOUT THE GO GREEN AWARD

The City of Cambridge annually recognizes local businesses and organizations for outstanding practices in transportation, waste reduction and recycling, energy, stormwater management, climate protection, and community sustainability. The awardees make significant contributions to the reduction of the carbon footprint of Cambridge and to making the city more sustainable.
