Subject: please vote for the Bishop Petition

Hello,
Oversize projects in North Cambridge will hurt me personally. The impact on our streets, our safety, and our North Cambridge community will surely be huge, and make people like myself flee to Arlington (which we don't want to do).We love our neighborhood and would like it to be preserved and enhanced through thoughtful planning.

Our Linear Park neighborhood is rare & special,a real community. We know and are friendly with our neighbors and want to stay that way. Overdevelopment will change that & will stress already overburdened traffic, parking, and sidewalks. Safety is my first concern, as I have 6 month old son and hope to raise him here.

I support development of well-designed residences that fit with the density, scale, and form of existing homes.

Some of you agreed to support the Bishop petition when we spoke before the election. I urge all of you to please vote for the Bishop Petition and help preserve livable North Cambridge.

Thank you,
Jen Feinstein
