September 28, 2012

To: United Steel Workers District 4/Eastern Bus Company Employees

Dear Friends,

I cannot be present today but I want to express my commitment to the right to organize without fear of retaliation. It is, like freedom of association, a fundamental human right, explicitly protected in the United States since the New Deal. The National Labor Relations Board was created to resolve differences between employers and employees in peaceful and mutual respectful proceedings. I urge that its findings be respected.

Michael E. Capuano
