133 River Street, #1  
(corner of River and Kinnaird)

Dear Cambridge City Council,

We support the extension of BA-3 small business zoning to cover 158 Western Avenue, extending the existing zoning from Howard and Jay Streets down to Kinnaird Street (on the even-sided block of Western Ave).

We support the City Council petition initiated by our neighbors Kiril and Catherine Alexandrov, who own 158 Western Ave and live around the corner at 406 Franklin Street.

This zoning change will help support small businesses like theirs. It will maintain the interesting mixed-use character of our neighborhood, and help keep the area active day and night -- more "eyes on the street" that help keep the neighborhood safe.

We urge you to pass this zoning change.

Thank you,

Bob & Mary Woodbury
