RE: File No. 6334 –Audio Visual Improvements for City Hall- Addendum No. 3

The following question was submitted and answered:

Question: Request for Clarification - The Addendum #1 has a specification for masonry pointing and cleaning, but we can find none shown on the drawings. Please clarify the scope of painting and cleaning if any.

Answer: Masonry scope is described in SKA1A-C, printed on 11x17 sheets and z-folded. These sketches are bound into Addendum #1.

Question: Please clarify historic window re-glazing scope? How many windows?

Answer: One window requires re-glazing. Keynote 5.19 on drawing S-A100 delineates: "Transom glazing (sophie room); provide new IGU transom lite to fit existing transom sash."

All other details remain the same.
