RE: **File No. 6565A – Fresh Pond Golf Course Bunker Renovations (Re-bid) - Addendum No. 3**

General Clarification:

1. **Storage bins will be open for disposing of stripped sod, storage of topsoil and bunker sand.**
2. **Existing rough sod may be used for bunker floors.**
3. **The City will establish temporary greens as necessary.**
4. **The selected Contractor shall submit a project schedule.**
5. **Attached is the list of Bidders attending the Pre-Bid Conference.**
6. **Cambridge residency statement is a goal and not a requirement.**

Questions:

1. ***I count 34 bunkers that we have to either eliminate, remove or add, while the bid sheet lists 33, is that correct?***

Yes, the Schedule of Values is incorrect and should list under item 5, 'Earthwork' the unit 34 each. Please insert the attached revised page 300-6 into your bid package.

All other details remain the same.
