**Subject:** Stern Petition regarding 2551 Mass Ave and 7 Richard Ave

Dear Ms. Lopez;

I am writing in support of refiling the Stern Petition. It is my understanding that Councilor Carlone and Mayor Maher will submit the Petition for re-filing on Nov. 5th. At the November 9th Council Meeting the Petition will be officially refiled.

I am unable to be present at the November 9th Council Meeting, as I will be returning from nyc, however I am aware of this plan to resubmit, and I support it.

Thank you for your attention to this matter,

Elizabeth Stern,
