Subject: Councillor Carlone's Resolution Monday December 7, 2015

Having had an article regarding Councillor Nadeem Mazen in the blog Breitbart.com brought to my attention I am writing to fully support Councillor Carlone's resolution condemning the content and intent of that article. I hope that we in the City of Cambridge will join together in supporting Councillor Mazen prevail over this vile and libelous attack on his character. As the recent council elections testify, Councillor Mazen is widely admired for his dedication to furthering the collective good in Cambridge. I strongly urge the Council to use this moment not only to vindicate their colleague but to reach out to the community at large to educate and illuminate our fellow residents on the virtues of mutual respect and rational discussion, the bedrock of democracy. I apologize for not being able to attend in person to show my support for Councillor Mazen personally and for Councillor Carlone's motion.
