

## SO- How To Get There?

### Changing regulations

- More authority to city agencies
- Heftier fines
- ??

### Mapping response actions

- City baiting on private land

### Clarifying jurisdictional issues

- DPW
- ISD
- License Commission
- Legal (?)
- Notifying stakeholders
  - absentee landowners
  - Business owners
  - Residents (rental and permanent)

### What could be done better

- Informing people of follow through
- Maintaining a calendar
- No discretion when a bad problem exists
  - Improperly closed dumpsters = citation/fine

### Specific to Dudley Street

- new wall
- Power wash dumpster alley
- more frequent pickup

### Challenges

- Enforcement authority
  - Split
  - Court enforced
- gardens
- Inside homes

# Our Common Problem

# ONE EXAMPLE- DUMPSTER ALLEY

Problems don't stay in the alley

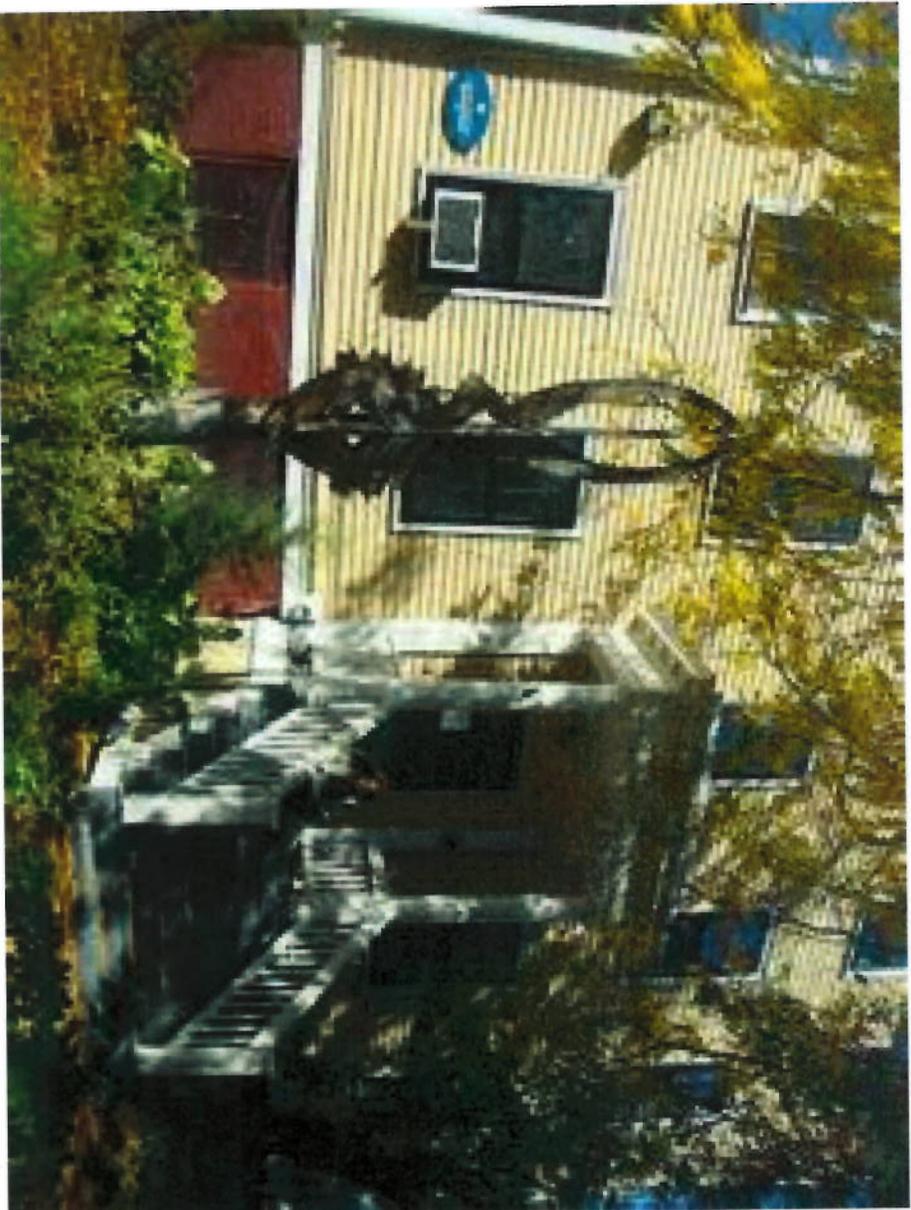

# The Problems Aren't only Caused by Dumpsters

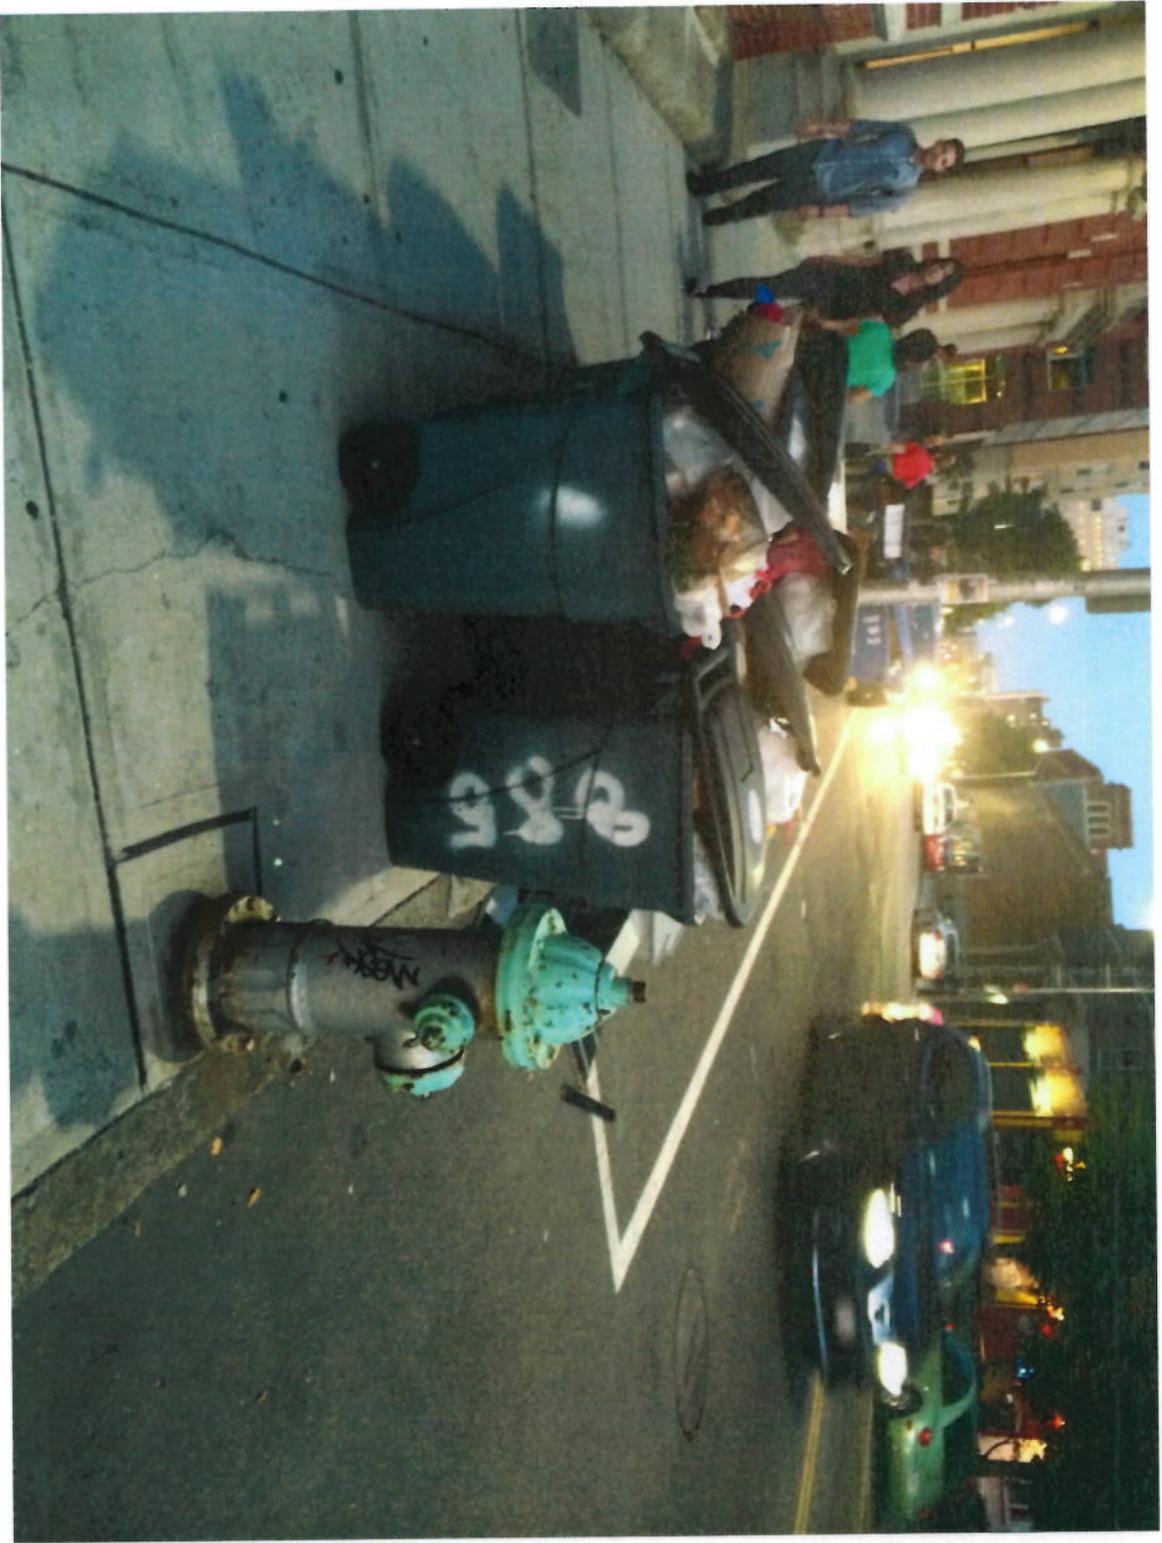

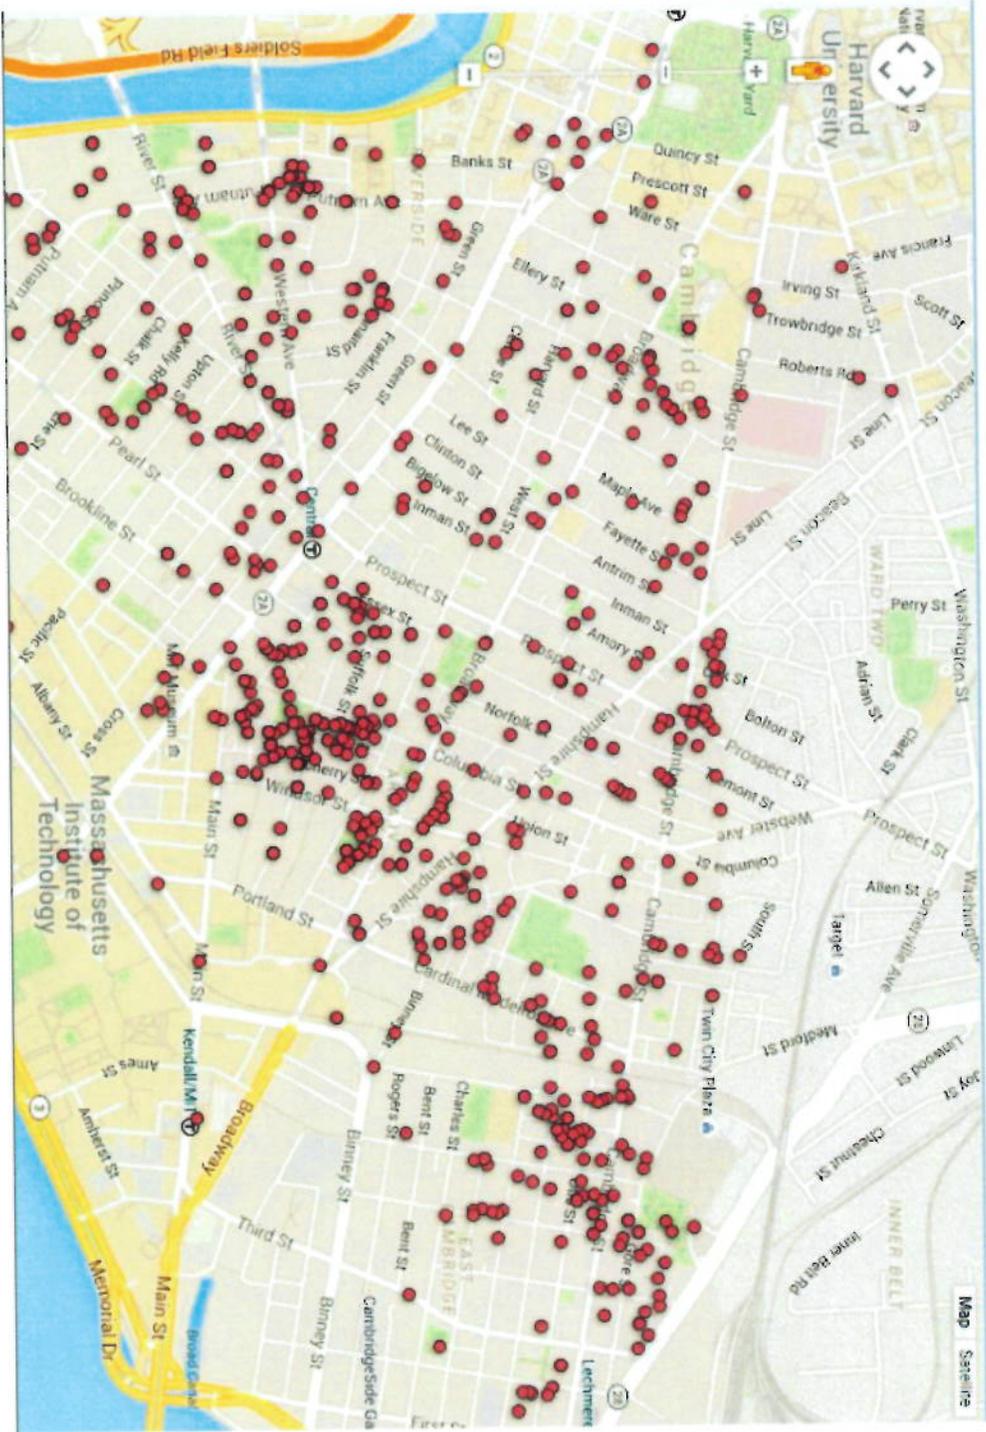

Nor is it only in North Cambridge

Or Just in Cambridge

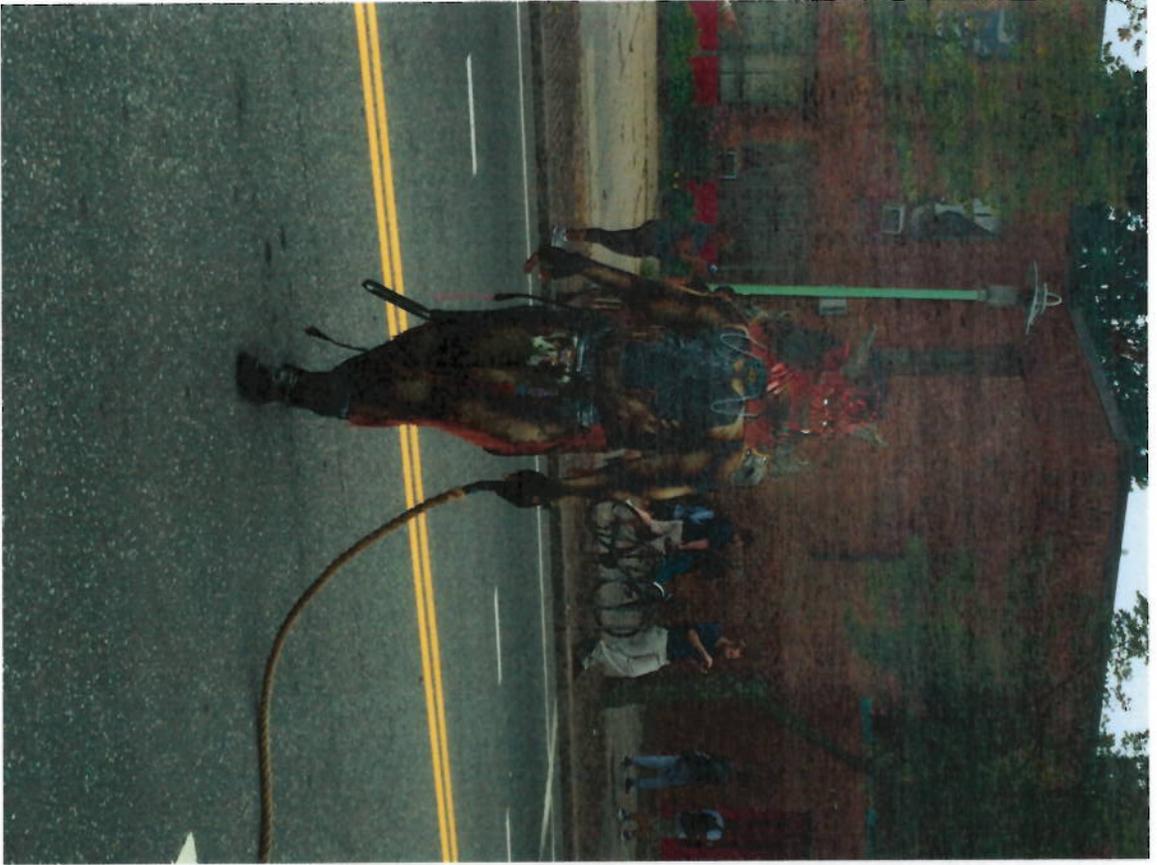

There are no easy answers

And no Superheroes

But we all want the same thing
