All over Cambridge there are wonderful citizens who make things for sale and or provide services.

Wouldn't it be nice if they could show and sell their products and services.

Wouldn't it be nice for citizens who have good things that they no longer have a use for to have a central place to sell them in Central Sq.

Wouldn't be nice to have a place for yoga classes and such.

Wouldn't be nice to have a large citizen meeting room used for other activities as well free from developer takeovers.

Wouldn't it be nice to have affordable stores and venues on the street floor.

Wouldn't be nice to have a roof top cafe-restuarant.

And who knows what else, movie theatre.

What's the financial benefit? The financial benefit is the financial benefits a city of joy inspires.

MIT is a magnificent educational institution.  
Let's all get together and make it happen.

Tell me your story morning glory
