Subject: Policy Order No. 14

To Donna Lopez, City Clerk:

Please accept this message as my support for passage of Policy Order No. 14, which proposes that the City Manager and City Solicitor should work together with the License Commission "to evaluate and revise the city's noise ordinance with the express purpose of strengthening this ordinance, so that it successfully protects the health of the residents . . . and successfully keeps the volume of noise pollution to appropriate levels within . . . residential neighborhoods."

I would have expressed my support in person but I had surgery today and am unable to attend the Council meeting.

Thank you for your help in this matter.
