Dear Mayor Davis and City Council Members,

I am writing to urge you to vote in favor of zoning for the MIT Kendall Proposal.

I am an 11 year resident of East Cambridge and I have my office in Kendall Square. For years I've been hoping for growth and development in the area. It is one of the few squares in Cambridge that is dormant during the nights and weekends, which is unfortunate given the amount of students and young professionals living in the area.

The proposed plan will bring more diversity in residents and businesses that we will all benefit from both socially and economically. I'm also very interested in the open spaces and walking paths/corridors to the Charles and I hope construction on those can be fast tracked.

Again, please vote in favor of the MIT Kendall Proposal.

Best,  
Emily Fletcher
