Hello Jim

Thank you for your
thoughtfulness in arranging
for my greatly appreciated
Cif of Cambridge resolution
on the eve of my impending
retirement from your alma mater.

Cambridge is always in my
soul and I have been
blessed in the so many
memorable moments that
growing up in this great cif
have afforded to me ... a

wonderful education from the
Agassiz School and North Cambridge
Catholic, meeting my wife in Harvard
Square, developing life long lasting
friendships with cif workers through
Cif Councilors.

My best to you, your family and all
past and present elected officials
who serve this very special
cif we call home.

Sincerely
Jim
