

CAMBRIDGE CITY COUNCIL

Craig A. Kelley
City Councilor

May 30, 2013

Mr. Healy and fellow Council members:

At our 3 June meeting, I will move to take Calendar Item #10 from the table to enable discussion of various lawsuits against the City. My hope is to have as much of this conversation in open meeting and reserve as little as possible, if any, for Executive Session.

Please contact me directly if you have any questions or concerns.

Sincerely,

Craig Kelley
