Interim City Clerk
City of Cambridge
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Ms. Lopez,

Thank you for forwarding to me the City Council resolution in support of H 757, which would result in more effective mosquito control.

I know that mosquito transmitted diseases, West Nile Virus in particular, have become more prevalent in Massachusetts, and it seems that H 757 would be a good step forward in controlling the mosquitos.

Thank you again for writing. I appreciate knowing about this resolution.

Sincerely,

William N. Brownsberger
STATE SENATOR
