Subject: I just signed "Council: Insure pedestrian safety on Riverside and Cambridgeport streets."

Dear Cambridge City Council c/o Interim Clerk Donna Lopez (City of Cambridge, MA),

I just signed Mary Carolyn Shipley's petition "Council: Insure pedestrian safety on Riverside and Cambridgeport streets." on Change.org.

I ask that the City of Cambridge TP&T take steps to insure pedestrian safety on Riverside and Cambridgeport streets. Further, I request the TP&T to place the standard, government approved Yield to Pedestrian signs on Western Ave. & River St. and other streets with crosswalks lacking a signal, similar to the Yield to Pedestrian signs on other Cambridge streets. I ask the Cambridge Police Dept. to enforce the 25 mph speed limit on Cambridgeport and Riverside streets.

Sincerely,
Mary Carolyn Shipley Cambridge, Massachusetts
