Subject: Opposition to curb cut @ 93 Kirkland

Dear Cantibridgians,

Please let it be noted that myself, Matthew Clark of 114A Irving St (for the past 34 years) and my family - Maritza Soto, Finbar Clark & Dahlia Clark, oppose the application for a new driveway at 93 Kirkland St. Furthermore we oppose the plans for overdevelopment at 93 Kirkland St - the Grace Norton building is fine as it is, they ought to simply renovate it! It's a shame the fine structure has been lying fallow for well on a decade, but trying to cram in another three houses on that already modest parcel is foolish and irresponsible. One of the greatest resources our neighborhood has is its scale - historic buildings, historic trees - to overcrowd the area with ill-conceived development would be a great shame & detriment to current & future residents.

Thank you,

Matt Clark
