Dear Mayor and Council,

On behalf of the citizens of Oklahoma City, thank you for your letter and support following our tornado events on May 20th and May 31st.

Oklahoma City and its municipal neighbor, Moore, are in the cleanup phase and many families and schools are preparing to rebuild. Throughout the devastating events, the people of Oklahoma continue to hope for a better tomorrow and will rise above nature's chaos.

We have heard from people all over the world and have received donations, both monetary and with supplies. We have received messages from school children and many others have extended a "helping hand" in support. Volunteers are still present, assisting our families and friends in the cleanup.

We are 'Oklahoma Strong' and we thank you for reaching out to us.

Sincerely,
