Subject: Please support Toomey/Benzan/Mazen order re Foundry Building

Dear Council Members,

Please support the Toomey/Benzan/Mazen order directing that the City fund the renovation of the Foundry Building in East Cambridge. A rejuvenated Foundry building will be a fantastic resource for the entire City, not just for the neighbors. And the type of space envisioned by the proponents (including Mr. Levy, copied) is just what we need to balance the positive, but overwhelmingly commercial, development underway elsewhere in the neighborhood.

Best,

Seth Teller
