Dear Cambridge City Council,

Thank you for your recent letter regarding Sanofi's contract process for North American cleaning services. As you know, this process included several Genzyme locations in Massachusetts, currently serviced by members of the Service Employees International Union (SEIU). I wanted to let you know that after a competitive bidding process, Sanofi made the business decision to maintain Genzyme's current vendor with SEIU affiliation.

I appreciate you reaching out to me and hope you feel free to do so in the future.

Sincerely,

David P. Meeker
President and Chief Executive Officer
