Subject: Support for 2 issues on the City Council agenda for March 24, 2014

Donna,

Please share with the City Councillors my strong support for the following orders and/or issues:

Councillor Toomey's order #11 in support of his request that the Council seek a legal opinion from the City Solicitor about the status of the court house.

Councillor Carlone's request for the creation of a city-wide master plan.

Both of these orders/plans are in the best interest of the city as a whole. We need a plan that takes into consideration the impact on the entire city as development plans are created in different areas and neighborhoods. What is good for East Cambridge is good for all of us. What serves the needs of residents of West Cambridge and Central Square is also good for all of us. Please support the initiatives of both Councillor Toomey and Councillor Carlone. Thank you very much for your careful consideration.
