Subject: Master Plan

MA state law requires it.

MA state law specifies the elements which must be included in it.

To the best of my knowledge, Cambridge doesn't have it (why not?).

There is almost no place in USA which has developed as rapidly over the past 5 years as Cambridge and which is doing so well financially--and we still don't have it.

Does Cambridge plead incompetence, lack of financial resources or any other reason for not doing a Master Plan?

JUST DO IT PER STATE LAW. Vote for Order #14 proposed by Councillors Carlone, Simmons and Mazen at the April 7, 2014 Regular Session at 5:30 PM.
