Subject: Statement from the DoubleTree Hotel---- Cambridge City Council Policy Order #4

Good Afternoon ,

I am providing a statement below that I would like to have included in the record regarding the Policy order #4-

Hilton Worldwide has managed the DoubleTree by Hilton Boston-Cambridge for over 12 years. Hilton provides some of the best jobs in the hospitality industry and is committed to offering a workplace environment where our team members are treated fairly and with respect, including respecting the right of our Team Members to choose or not choose collective bargaining representation.

We have informed UNITE HERE that we do not believe a true majority of Doubletree by Hilton Boston-Cambridge employees wish to be represented by any union for purposes of collective bargaining. This belief was reinforced by last week's pratest rally at the hotel that was attended by only 22 of the 167 total team members. Moreover, the hotel's team members have not voted to support any boycott.

The appropriate and fairest process for determining whether a majority of employees wish to be represented is through a secret ballot election conducted by the Natianal Labor Relations Board.

Thank you .

Jayne
