To honorable members of Cambridge City Council:

I am writing in support of Order No. 14 by Councillors Carlone, Mazen, and Simmons calling for the development of a genuine Master Plan for the City of Cambridge.

Today's article in Cambridge Day (attached) provides coherent testimony about the need for City Council to support this Order instead of the order put forward by Mayor Maher, Vice Mayor Benzan, and Councillor McGovern.

I hope you will vote in favor of Order No. 14 and take immediate action to stop the unhealthy expansion of development in the city: development that threatens affordable housing, development that neglects the needs of residents, development that favors parking lots over parks and recreation for children and residents, development that puts profits before people.

Thank you.
