Subject: Yes to Linkage Order

Dear Friends,

I find it outrageous that the recommended amount for the developers' linkage fee from the 2002 Nexus study was never passed by the council. No mandated Nexus studies have been done since 2002 (another outrage) so that the linkage fee remains at only about \$4.50 per square foot – leaving our city's affordable housing funds far below what they should be. Please take action to correct this situation as soon as possible.
