Subject: Vote Yes On Policy Order #2

Dear City Council Members:

I urge you to support Councilor Carlone's policy order #2 calling for an increase of the Housing Contribution from its current \$4.58 per square foot to the amount recommended in the 2002 Nexus Study, which was never acted upon by past city councils.

This increase would greatly help fund city initiatives to support and create affordable housing, which is greatly under fire these days. Cambridge's diversity is one of our most important assets and needs considerable propping up as accelerating gentrification places great stress on our poorer citizens.

Sincerely,

Paul Steven Stone
