Subject: Manager's Agenda #8, Electronic billboards

(Dear City Clerk, please file this with tonight's official record. Thank you.)

To the Cambridge City Council:

Early waking from noise at 5 am (from the alarm system in the building at 1030 Mass. Ave.) will keep me from attending tonight's meeting, hence this e-mail.

Please continue to oppose electronic billboards. It's all too easy to imagine the additional assault on the senses they would bring to the city.

It's encouraging to see that the Manager and Community Development are doing what they can so, through the Council, we members of the public can weigh in on the matter and oppose electronic billboards.

Also, please register my support for your Policy Order No. 8.

Yours sincerely,

Marilyn Wellons
