Subject: Yes to Linkage Order

Please support an increase in the linkage fees that are paid into Cambridge's Affordable Housing Fund as reflected in Policy Order #2 that is on the agenda for tonight's (May 5, 2014) City Council meeting.

In addition, as a separate and independent matter for future deliberation, consider the benefits of requiring additional affordable housing to be net zero carbon and the energy savings in their operation and maintenance.

Thank you for your attention.
