Subject: Public comment on public financing of elections

May 28, 2014
Cambridge City Clerk Donna P Lopez

Dear Donna P Lopez,

Ms. Lopez,

I want to express my support for the public financing of our City's campaign for City Councilors. Indeed, I wish my Councilors would spend more time of their term addressing important issues instead of the 6 (or more) months several of them spent campaigning last year.

Sincerely,

Nicolai Cauchy
