

A Note of Thanks
To the Cambridge
City Council

Dear City Councillors,

Thank you so very much for remembering my husband, Peter Vellucci, with a resolution at your meeting on September 8th, 2014. It was very nice to receive the resolution and it touched my heart. I have many wonderful memories of my husband's political career, he was a deeply caring person who tried to help whoever and wherever he could. Again, thank you for your thoughtfulness.

My Best,
Laura Vellucci
