CITY OF CAMBRIDGE, MASSACHUSETTS

Subject: AIR QUALITY & NOISE

Dear council:

Attached you will find a copy of some issues concerning air quality & noise on Cambridge street. The Central Bakery sheet was submitted to Central and as you can see they have had G.W. Shaw cut down on the ideal time. However I have noticed Royal bakery also has trucks leave their motors running during deliveries.

The need to reduce noise pollution & increase air quality needs to start at the small business level so we all can benefit in the future.

Sincerely;

Paul Tamm
