Subject: Oppose Normandy Tower up-zoning

Dear Councillors,

I oppose up-zoning one block for one developer in Central Square--or anywhere else in the City. And to claim that Normandy Properties is helping ease the affordable housing crisis in our City is ludicrous. Normandy developers get 11 extra floors in exchange for 20 extra affordable units: what a terrible bargain. There should be no approval for any new large development until a Master Plan is in place.
