Subject: Net zero for Cambridge
Date: Monday, June 01, 2015 3:44:57 PM

I'm a concerned resident and an active member of Mothers Out Front. I'm writing to ask you to support Net Zero Action Plan by implementing the budget plan for it. Mothers Out Front is working for a livable climate. The Net Zero Action Plan will make a difference in reducing carbon emissions and encouraging the transition to renewable energy. Thank you for your affirmative vote for Net Zero.

Sincerely,
Rachel Wyon
