Friends:

It take time and money to shepherd a spot-zoning request for a massive, nonconforming apartment tower through the workings of our city council.

Just how much time and money...? You'll be very surprised.

Find out how much in my latest blog posting, "REFUSE IT OR RECUSE IT! A Challenge to the Cambridge City Council

Which can be found at: <http://www.paulstonesthrow.com/refuse-it-or-recuse-it-a-challenge-to-the-cambridge-city-council/>

or an earlier version in Cambridge Day at:

<http://www.cambridgeday.com/2015/04/22/challenge-to-city-council-refuse-or-recuse-when-it-comes-to-business-donors/>

And enjoy watching your Cambridge City Council hard at work.

Paul
