

# FRESH POND RESERVATION ADVISORY BOARD PUBLIC MEETING NOTICE

When: Wednesday, February 2, 2005, 7 pm - 9 pm

Where: Walter J. Sullivan Water Purification Facility  
250 Fresh Pond Parkway, Cambridge

A portion of the meeting will focus on the Little Fresh Pond Shoreline Restoration Project, a high priority area identified within the Fresh Pond Master Plan. The City's design consultant, The Bioengineering Group, Inc, will present their updated drawing set that includes shoreline stabilization, planting design, and site improvements.

A complete copy of the Design Development Drawings will be on display in the lobby between 6 PM to 7 PM prior to the meeting. The consultants will be available at this time to answer questions.

*This is the second of two public meetings to help solicit comments on the design of the project.*

The City of Cambridge does not discriminate on the basis of disability. We will provide sign language interpreters and other accommodations to people with disabilities for this event upon request. Please make such requests at least two weeks in advance, whenever possible. For more information, please contact Chip Norton, City of Cambridge Watershed Manager, (617) 349 4781.

*This project is utilizing Community Preservation Act Open Space funds.*
