Dear Fellow Employees:

As the end of the year rapidly approaches, I would like to take this opportunity to invite you to participate in the City of Cambridge Employees' 2012 Charitable Campaign. With the slow economic recovery, charitable organizations need our help more than ever to continue performing the vital services which so many members of our community rely on. By making even the smallest contribution, you will ensure that the needs of many people are still being met even during the most challenging times.

Should you choose to donate, your gift will automatically be deducted from your paycheck each week over the course of the year, and forwarded to the designated charity of your choice. For a listing of this year's participating charities, please visit: <http://tinyurl.com/charitablecampaign>.

In addition, you may download the pledge form directly from the website. Completed pledge forms should be forwarded via interoffice mail to the Consumers' Council/Attention: Laura Nichols. Completed pledge forms may also be sent via email to lnichols@cambridgema.gov.

As always, I know we will continue to show participating charitable organizations that the City of Cambridge's employees are willing to step up even during the most challenging times. Should you have any questions about the campaign or donation process, please do not hesitate to contact me directly. Thank you in advance for your thoughtfulness and generosity.

Warmest regards,

Laura M. Nichols
Executive Director
Consumers' Council

P.S. If you pledged to the Campaign last year and would like to rollover donations, please state such in an email to lnichols@cambridgema.gov!
