

# CAMBRIDGE CITY COUNCIL

Leland Cheung  
City Councillor

January 20, 2015

**TO: THE HONORABLE, THE CITY COUNCIL**

**FROM: COUNCILLOR LELAND CHEUNG**

**SUBJECT: CONCUSSION PROPOSAL**

Currently on Unfinished Business of the Calendar is a proposed amendment to the Municipal Code entitled "Concussion Prevention and Management in Youth Activities at City Facilities."

Please be advised that it has come to my attention that the Cambridge Health Department is working on drafting a Health Regulation for concussions. This regulation will be received by the City Council in the near future and may take the place of the proposed municipal code amendment. The Health Department is anticipating promulgating this regulation by the spring.

I hope that this information is beneficial.
