**Subject:** please support Leland Chung Ombudsman proposal

Dear City Councillors,

Please support Leland Cheung's Policy Order for an Ombudsman.

**Please vote** to create, fund, and staff a city ombudsman to help **US** residents understand development proposals and **help us** participate effectively in the public processes for development proposals. **It's crazy the way it's been going and this would help a lot.**

thank you,

Margaret Weyerhaeuser 261 Lake View Ave
