Dear City Council:

I am writing regarding Cambridge's Pearl Street reconstruction project. In the beginning, there were two options for Pearl Street: status-quo versus a protected bicycle lane that would require removal of parking on one side. After a year of public process hearing many sides of the issue, City Staff proposed a compromise option that would provide for a buffered bike lane during the day and residential parking at night.

Though I am in full support of the full-time protected bike lane option, the compromise option does seem to be a reasonable alternative that gives each side something, but not everything. Please do not support the Council Order that negates a year of public process and forces a one-sided solution.

Please vote NO on Toomey and Benzan's Order which would remove a design alternative outside of the public process. This is just not right approach to this issue, no matter how contentious. The final design does not need to be determined today, and city staff are committed to continuing the community process to determine a final design.

The trends are clear: Cambridge residents are relying less on private automobiles and more on public transportation, biking, and walking. The number of cars registered in Cambridgeport has dropped by 10% since 2000 even as population has increased. This project must invest in a future that improves the quality of life in our city by making more transportation options available to more people.

I am a resident in the area - I live on Hamilton St (between Pearl and Brookline) and I use Pearl Street several times a day to commute to work (Longwood Medical Area) on my bicycle, and to go to Central Square for shopping. I do avoid it during busy hours and use Sidney Street or Western Ave because there are too many potholes and no safe way to ride a bike down the street. I also ride the 47 bus occasionally.

There are 3 other residents at my address. We all are cyclists and have similar use of Pearl St and its surrounds. Please register this comment to reflect the opinions of all 4 tenants of 155 Hamilton St.

My apologies for not being able to attend tonight's Council meeting in person. Please enter this comment into the record.

Sincerely,

Lily Ting, Ph.D.
