Subject: Fwd: craCORE: EMAIL for TOMORROW's City Council: "Order written legal opinion if Planning Board can deny permits"

To: council@cambridgema.gov

cc: dlopez@cambridgema.gov

Subject: SUPPORT Policy Order #32 for written Law Dept opinion on Planning Board

Please enter this communication into the official record of the city council.

Councillors,

It is important that you vote for Policy Order #32 that asks that the Law Department publish the opinion on the Planning Board's discretion to deny Special Permits. This publication can end discussion on this topic, thus allowing all newcomers to the permitting process to be able to read it on the city website.
