Subject: Plastic Bag Ban

Dear City Councillors,

I would like to express my STRONG support for a ban on plastic bags, as well as for a charge of 10 cents per paper bag. We are way behind most European countries, who have been doing it for years, and way "ahead" of much of the rest of the world, where it is perfectly normal to bring your own bag because there isn't enough money for disposable items that have no use. Some "advances" just aren't that advanced.

I hope you will pass the ban!

Best,

Liz Lyster
