Clerk Lopez, please enter into the council record.

Ms. Paden, please forward to Planning Board.

Dear Council,

I believe that Councilor Carlone's proposal is a great improvement over the Normandy Twining proposal. Our collective goal should be the best for the whole community and the greatest amount of affordable housing. Over and over we see our elected representatives setting policy for single developers instead of for the whole community. Please let the up-zoning expire without a vote.

Thank you for considering this request,
