Dear City Council,

I own property and live in Cambridge Port. I strongly disagree with building a 19th story luxury condominium.

I request that you work in a best interest of city residents and not in a best interests of developers and their profits.

I do support mixed use buildings -affordable housing and offices but I believe there should be no buildings taller than 12 stories in Central sq.

I do not want Central square to be turn into glass/metal dessert like parts of East Cambridge, and I do not want my city to start following uncontrolled development like one I observed in China.

Regards,

Sylvia Rozwadowska Shah
