Dear Mr. Mayor and Members of the City Council,

I am writing you to please support and consider a YES vote on the Normandy/Twining Mass and Main proposal. With such a large component of affordable housing, it would be a shame to let a potential development like this one slip through the cracks. Another wonderful component of this project is the retail component which will stimulate consumer activity in an area of Central Square which has always been considered a "dead zone". Thank you.

Jack Toulopoulos
