Hello,

My name is Amanda Tramont, and I live at 3 Dana Street.

I'm here tonight to express my strong support for the Mass + Main mixed income housing sub district which will create housing, not lab or office space, along Mass. Ave. and Columbia Street.

I have attended the community meetings seen the models and renderings of the project, and read the proposal itself and I believe housing and retail will be a tremendous improvement to that block. I also believe that the unprecedented amount of affordable housing the developer has offered is a compelling community benefit that will help solve our housing crisis here in Cambridge.

Great cities have always provided homes and jobs to diverse populations. Cambridge has the opportunity to show what it means to be a progressive city, so let's not blow it. The time to act is NOW.

Please vote in favor of this zoning proposal so we can see this transformative project happen within the next 3 years.

Thank you.

Best,

Amanda Tramont
