Dear Cambridge City Councilors,

I would like to register my opposition to the up-zoning proposed for the Normandy Properties site. As a homeowner in Cambridge I would like to keep the city from over-developing key areas, and thus overloading infrastructure such as public transportation, parking & traffic. The present zoning limits were put in place for good reasons and the tendency to modify them at will on a project by project basis bypasses any semblance of coordinated urban planning, which can lead to disastrous results and irreparable harm to neighborhoods.

Thank You, Ethan Cascio
