Dear City Councilors:

Again, I write to support Twining/Normandy's proposal to build a high rise at Mass & Main at Central Square—not because I want a tower there, but because Cambridge needs more affordable and moderate-income housing units and this seems to be the only way to get them. And it's smart growth—close to public transportation nodes.

Also, I am impressed with Twining/Normandy: by their thoughtfulness, their responsiveness, and their high quality and interesting work.

Please support this development proposal.

Sincerely,

Cathie Zusy
