To whom it may concern:

As a rising junior at Harvard College from Indianapolis, I am writing in support of KEEPING Zipcar available in Cambridge. While I generally walk around and try to use public transit whenever possible, Zipcar has proven to be a tremendous resource when needed. Since I am from Indiana, it is not possible for my parents or anyone to make the 18 hour straight car ride to take and pick me up from school. Yet as I loose housing and storage for the summer, I still have to store my stuff somewhere. To do that, myself and roommates have rented out a unit but then used Zipcar to transport stuff to and from. We have also used it occasionally in the pouring down rain when we needed to go to the grocery store and had to much to walk or take the T.

Thanks so much for listing and please keep Zipcar in Cambridge!
